Spring 2024

Changes Are Coming

There are several changes to our Easter Luncheon, Summer Picnic and Holiday Luncheon. There will now be a charge of \$5.00 per person for anyone attending these events. As you know cost have been increasing and for us to be able to continue to have these events we need to charge everyone that comes.

Also you will now have to come in and pick up a ticket and pre pay for each event. This is due to the fact that people do not show up and this results in having to pay for them. This will allow us to have a more accurate count when ordering from the caterer.

Thank you for your understanding.
